TRANSMITTAL SLIP		10 January 1957	
TO: Director of Personnel Director of Training			
ROOM NO.	BUILDING		
You will recall that at the meeting on December 5, 1956 in Colonel White's office the matter of colored candidates for the JOT Program was discussed and Colonel White indicated it might be worthwhile for him to contact Congressman Dawson for source leads. After reviewing our efforts in this direction, he decided it would not be advisable to raise the subject with Mr. Dawson. I am attaching a copy of a memo with Colonel White's marginal notes which are self-explanatory.
